A parking structure is attached to the building and is accessible from State Street, west of Woodward Avenue. Please note that the maximum height in the parking structure is 8 feet, 2 inches. The parking garage operates on a cashless entry system. This procedure requires you to pull into the LEFT lane and swipe your credit or debit card to gain entry. After parking, go to the first floor of the structure, and use the structure's south doors which will take you to the 1001 building lobby. Sign in at the security desk and proceed to the 14th floor.
