**You will need to swipe your credit or debit card to gain entry to the parking structure. Once in the building, you will need to check in with the attendant in the lobby. Tell them you are here to attend a SEMCOG meeting (you may need to sign in if your name is not on the list of meeting attendees.) To validate your parking, ask the person at the SEMCOG Welcome Desk for a “QR parking pass.” When exiting the garage, swipe the credit or debit card you used to enter, followed by the QR code when prompted. This will remove the charge from your card.**
